Remote Public Access to Sammamish Plateau Water’s Board Meetings

Zoom Information

Meetings of the Board of Commissioners will offer both in-person or remote attendance options.

The information in this document has the most comprehensive and up-to-date guide from the District on how to participate remotely during Sammamish Plateau Water’s Board meetings.

We appreciate your willingness to learn this technology and value your participation.

HOW TO PARTICIPATE REMOTELY

We will be utilizing Zoom’s Webinar feature for remote attendance option for Board meetings and public hearings. Any member of the public can observe the meetings remotely the following ways:

- Watch the session directly in Zoom by joining the meeting as an attendee. The remote meeting access information will change for each meeting and is provided on the meeting agenda. Meeting agendas are posted the preceding Friday to a Board meeting on the District’s website here.
- Dial in to the meeting on your mobile, work, or home phone. The dial-in numbers for each meeting are also provided on the meeting agenda.

To learn how to join the meeting using either method, go to the TRAINING section of this document.

Zoom offers several trainings to help users navigate the platform. Please check out the following training guides that Zoom offers –

REMOTE PUBLIC COMMENT*

Members of the public in attendance remotely during Board meetings can provide verbal or written public comments during the public comment portion of the meeting. The following outlines the process for verbal and written comments.

Verbal Comment Process

Public comment is limited to three minutes per person or five minutes per group.
During the public comment portion meeting, the raise hand feature will be enabled. The “Raise Hand” function will allow you to be recognized by the Board President before your microphone will be enabled and you are able to speak. You will be granted only the ability to talk, but not the ability to share video or screen. Once your microphone is enabled, you will need to unmute. When members of the public speak, they are asked to state their name and address for the record prior to making their statement.

If you are participating by desktop, tablet, or other mobile device – when the public comment portion is open, you may use the “raise hand” feature in Zoom (see screenshot below) to indicate your desire to offer public comment.

If you are participating by phone – persons joining the meeting by phone can use the virtual “Raise Hand” feature by pressing *9 on their phone’s keypad.
