Sammamish Plateau Water to Hold Public Hearing on 2019 Budget and Proposed Water and Sewer Rate Adjustments

Sammamish WA - The Sammamish Plateau Water Board of Commissioners will be conducting a public hearing to receive public comment on, and consider adoption of the 2019 budget and proposed water and sewer rate adjustments.

Monday, December 3, 2018 at 6:00 pm
Sammamish Plateau Water District Office
1510 228th Avenue SE
Sammamish, WA 98075

Water rates
The District is proposing a total adjustment to water revenue of 3.75%, which would be applied to both the fixed water charge and the variable water consumption charges. A single-family residential customer using between 350 cubic feet to 750 cubic feet per month would see a monthly increase ranging from $1.36 to $1.67 on their water bill.

Sewer rates
The District is proposing an adjustment to sewer revenue of 3.25%, which would increase the monthly sewer rate for a single-family residential sewer customer by $1.14 to $36.05 per month.

About Sammamish Plateau Water
Sammamish Plateau Water is a regional provider of water and wastewater services to nearly 64,000 residents over 29 square miles across cities of Sammamish and Issaquah, and areas of unincorporated King County. The District’s mission is to provide safe, efficient and reliable water and sewer services by being a leader in the planning and practice of fiscal and environmental stewardship.
